COMMENTS

Timothy D. Lischwe ("Lischwe"), by his counsel, hereby submits his Comments in response to the Commission's Notice of Proposed Rule Making ("NPRM"), released September 24, 2003, DA 03-2893, proposing to amend the TV Table of Allotments by adding Channel 49+ to Osage Beach, Missouri.

1. The NPRM was released in response to Lischwe's Petition for Rule Making ("Petition") proposing the allotment of Channel 49 to Osage Beach. The new allotment will be the first local television service to Osage Beach.

2. Lischwe hereby states that if the Commission approves the requested allotment of Channel 49+ to Osage Beach, Missouri, Lischwe will submit an application for a construction permit to serve Osage Beach and, if his application is granted, he will construct that facility.

WHEREFORE, Lischwe respectfully requests that the Commission grant his Petition and allot channel 49+ to Osage Beach, Missouri, so that the residents of Osage Beach can receive their first local aural transmission service.

Respectfully submitted,

TIMOTHY D. LISCHWE
